CONTROL THE COURT

Users can control the court via the app, as long as you have booked a session with the court.

The interactiveSquash app allows you to choose from 2 modes of activities these include:

GAMES

10 exciting games

TRAINING

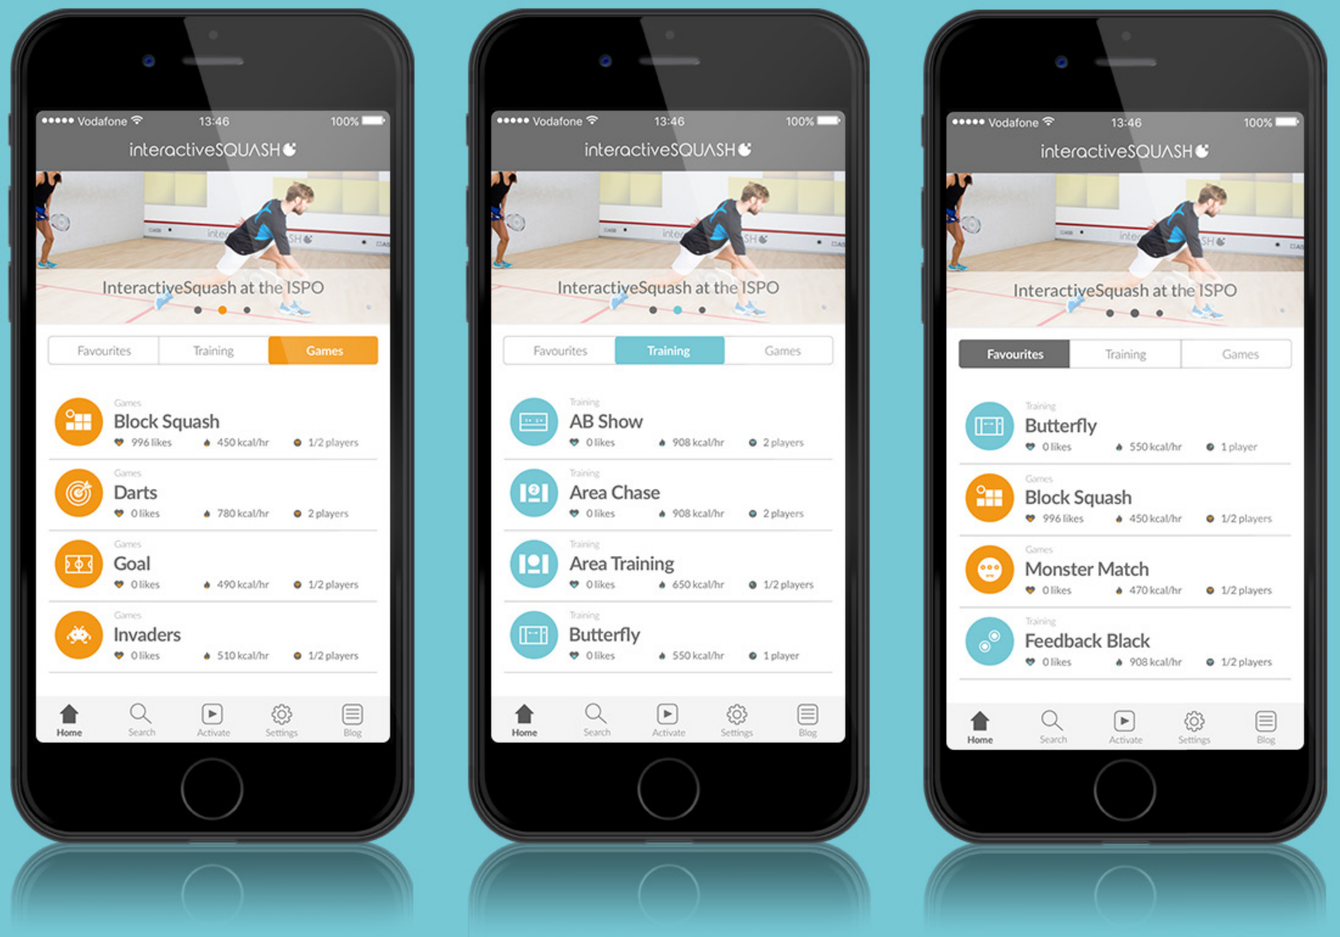

8 training modules

& MANY MORE

More games coming soon

If that's not enough then the user can see live on there app there current progress in certain games. At the end of the game we take the general average and give you an overall achievement.

TRACK YOUR STATISTICS

InteractiveSquash will allow you to track your statistics whenever and wherever you want. The app will record every game or training module you participate in and will give you instant feedback upon completion.

Each game or training module has a unique achievement, the higher the standards of your competition the more brutal and relative your achievement will be.

There are 4 main scores that we are able to track

Time taken | **Hit/miss ratio** | **Kcal burnt** | **Total score**

Along with these exciting game stats, users can check the individual online leaderboard for each game to see how they are progressing both individually and who is leading worldwide.
